STATEMENT OF SUBSTANTIAL COMPLIANCE
CONSTRUCTION MATERIALS TESTING PROJECT REVIEW

Project Name

I, ________________________________, a Licensed Professional Engineer, do hereby acknowledge that field and laboratory materials tests were performed on the materials installed under and for the proposed pavement on the above referenced project and the final test results at each location sampled or tested by our accredited and licensed laboratory met the project specifications as listed below and as required by the Regulations of Harris County for the Acceptance and Approval of Infrastructure. Attached hereto are the results of the testing performed on the project with a summary below.

<table>
