GENERAL DOWNTOWN AREA

NORTH HOUSTON HIGHWAY IMPROVEMENT PROJECT

2017 MAJOR THOROUGHFARE AND FREEWAY PLAN

ABOUT THE MAP

This map shows the departments, subdepartments, and other agencies involved in the planning, design, construction, and operation of the street system. The map includes major thoroughfares, freeways, and other arterial streets. It also highlights areas that have been proposed for expansion and improvements. The map is intended to provide a comprehensive view of the street network and its connections to other transportation modes. The map is updated regularly to reflect changes in the street network and to support the development of new projects and initiatives. For more information, please contact the city planning department or visit the city website.
